

To: TARTA Board of Trustees
From: Charles Odimgbe, Chief Operating Officer
Subject: Procure Utility Vans for TARTA Maintenance
Date: January 16, 2025

TARTA currently has two utility vans used by our facilities maintenance crew to service all TARTA facilities. These vehicles were procured in 2006 and have exceeded their useful lives.

These vans are necessary to enable TARTA facilities crew to be able to service all TARTA facilities including but not limited to, 1127 W Central Avenue, 130 Knapp Street and 612 N. Huron St all in Toledo OH.

It is worth noting that this procurement is consistent with TARTA performance goals of maintaining reliable fleet to support our service and TARTA operations, and that this procurement is meets all Federal and State procurement regulations since TARTA is buying off the Georgia Department of Administrative Services (DOAS) contract.

This procurement will be grant funded and is in TARTA's 2025 Board approved capital budget.
